The report from this morning about the rower who capsized in the Passaic River has a happy ending:

<http://www.northjersey.com/nutley/78-year-old-man-rescued-in-Passaic-River-after-rowboat-capsizes.html>

It should be noted that the rower held onto the silt curtain until rescue, and a Zodiac boat that the CPG just donated to the Fire Department Rescue Team was used in the rescue.
